Re: Letter of Appreciation for Eric Boucher

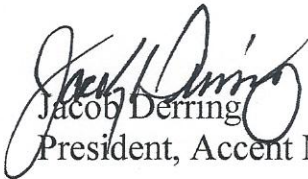

To: Whom it May Concern:

I am writing this letter to let Integrated Processing Solutions know how pleased I was with their employee, Eric Boucher. Eric is a very polite, enthusiastic, dedicated employee and it was a pleasure to work with him.

Mr. Boucher worked diligently and had past all expectations of the job. Eric was able to get Pleasant Valley Condominium Association FHA approved. This was not an easy task; however, Eric was exceptional and followed through with his job.

Eric has wonderful work presence and is well spoken and polite. Mr. Boucher is very well versed in his job and it was a pleasure to work with him. It is not often you come across employees like this, so I felt a strong need to notify Integrated Processing Solutions about their exceptional employee, Mr. Eric Boucher. Thank you for providing excellent Customer Service.

Sincerely,

Jacob Derring
