RE: Integrated Processing Solutions

To Whom This May Concern,

We have recently had the good opportunity to use Eric Boucher from Integrated Processing Solutions to secure an FHA approval for one of the condo complexes we manage. Eric Boucher, the FHA condo approval specialist was great. Eric did everything he promised to and in the exact time frame that we expected. The Fox Hill Condo Association was so thrilled to get the good news so quickly. We at G&W Management Inc. would highly recommend using Eric Boucher.

Compliments from Mike C. property mgr. and Chrystal I. assistant property mgr. on a job well done!

Very Truly Yours,

Mike Carozza
Association Manager
