To Whom It May Concern:

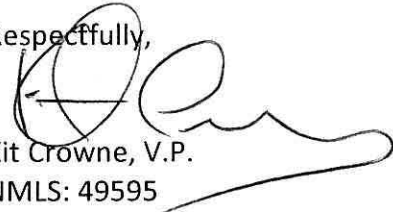

Please accept this letter of recommendation for Eric Boucher and his company, Integrated Processing Solutions, for their HUD/FHA Condominium Approval services.

As a mortgage broker, I frequently work with borrowers who are purchasing or refinancing condominiums. When these borrowers learn that their preferred financing is imperiled by the fact that the condominium association is not approved by HUD/FHA, Eric is my secret weapon.

Eric brings unparalleled expertise and knowledge of the HUD/FHA condominium project approval requirements. He is able to quickly map-out the action steps and provide both a speedy and affordable plan for obtaining an approval. On countless occasions, his services have resulted in a successful outcome for my clients and for the condo association as a whole.

I am pleased to have the opportunity to recommend Eric to anyone who needs assistance in obtaining a condominium approval with HUD.

Respectfully,
